

FALL CONFERENCE BINGO

WITH MUELLER COMMUNICATIONS

Someone mentions ARPA funds	Someone asks about levy limits	You meet someone from a community you've never heard of	You collect a cool piece of swag
A speaker references Wisconsin cheese or beer	You run into someone you haven't seen in years	You download the conference app	You hear someone mention going to referendum
You spot a mayor in sneakers	A session starts with a tech issue	You hear the word 'TIF'	You ask a question during a session
You post about the conference on social media	You exchange business cards with someone new	A panelist makes a joke about local government red tape	You recognize someone you've only ever seen via a virtual meeting
